● PHOTOCOPY SHEETS FOR MORE NO. OF STUDENTS. Details of how to fill the registration form are given in the prospectus. Roll Number of the students will be generated after receiving the registration form and will reflect in the admit card/attendance sheet. ● PLEASE SCAN AND E-MAIL THE REGISTRATION FORMS TO info@eduhealfoundation.org ● Student can download sample papers from website www.eduhealfoundation.org/WorkBooks.aspx. Sample papers will also be sent to the school when it registers. ● BIFO is for classes 9 to 12 only. NIPO is for classes 6 to 12 only. ● Contact EHF through sms on 9599429957 if school requires more prospectus / registration forms / student consent forms. ● SCHOOL CODE / ROLL NO. WILL BE GIVEN BY EHF. ● **How to fill the student Registration Form and how to generate the enrolment numbers.** ● On the top write your school name. Calculate the total number of students in each class. For each class serially place numbes starting form 0 0 1... ending at the total number of students enrolled in the serial number column. ● Combining serial number and class determines the enrollment number. ● The name of the student should be filled in capital letters. The name should be correctly spelled as the same will appear in certificates. ● Please don't forget to keep a copy of above documents for your own use. ● Send the students and the school registration form and mail to EHF 103 ground floor, Taj Apartments, Ring Road, Near AIIMS Metro Station, New Delhi-110029. ● Attendance sheet containing roll number of the enrolled student will be sent alongwith question paper. The Roll No. will be generated by EHF and is a combination of Olympiad code, school code & enrolment no. You can call national coordinator to know your school code. The roll number/name given in the attendance sheet will be considered final. School will be required to generate attendance sheet in case the registration is received after the last date of registration. The generated roll no will remain same for all levels.
